

RSVP movies advancing towards globe

Summary:

- Genre 'DRAMA' is best choice for the start in global world as it is among most watched genre and may collect handsome revenue with first entry. Followed by 'COMEDY' and 'THRILLER'
- Releasing movie in month of 'December' is better as least no. of movies are published in that month, also it's a festive month globally.
- Indian movies have good competition with 'USA' and 'UK'. Therefore, publishing movies parallelly is not a good idea.
- Its an awesome idea to work in collaboration with world famous directors like 'James Mangold', 'Anthony Russo and 'Soubin Shahir'. If not, then try not to publish the movie on same/nearby dates when they are publishing for the first global entry.
- Hiring actors like 'Mammootty' and 'Mohanlal' will defiantly increase the chances of giving hit movies.
- Try to avoid publishing first movie simultaneously with giant productions like 'Marvel Studios', 'Syncopy' and 'New Line Cinema' because audience will get diverted towards them.
- For Indian touch, actors like 'Vijay Sethupathi', 'Fahadh Faasil' will be best suited to grab attention of global public as they got highest votes.
- For Indian touch, actress like 'Taapsee Pannu', 'Kriti Sanon' will be best suited to grab attention of global public as they got highest votes.
- Multilingual movies also have good grip in global cinemas.
